Dick -

Heard back from Becky and she is ok with cancelling the KDHE call next week.

Great. I told John Mitchell that I'd let him know tomorrow whether or not we are having the call.

Will do Dick.

Becky is at the LEAN event this week and they have limited electronic access but I will try to get in touch with her.

Toni,  
You can see that I'm following up on Wendy's request. John Mitchell is willing to cancel the KS call and so is Karl unless Becky needs to talk about Sunflower.

Dick, can you follow up with Toni on this? I forwarded you a message from Karl from last night. He had one item for KS but wanted to see if Becky agreed that it should be on the agenda. I forwarded the message to Becky this am. Can you check with Toni to see if Becky wants to talk about it with KDHE? I think it was sunflower but I could be wrong. Also double check that Becky doesn't want the KDHE call if the only item is LEAN update. Thanks!

Good Morning Wendy,

Please put "Update on Corrective Action LEAN Process" - Becky Weber, on Missouri, Kansas and Nebraska state call agendas. It should take more than 5 minutes for Becky to report out unless the States have questions.

Thanks,  
Toni

I highlighted topics identified by states for us on next week's calls in Wendy's email below. Today is Wendy's deadline for R7 to identify topics.

Just a friendly reminder to send me agenda topics for next weeks state calls.

Here is what we have from the states so far:

IA: State Budget & Legislative Update, EPA Budget Update, Nutrient  
Strategy Update, Team Member Changes

MO: State Budget & Legislative Update, EPA Budget Update, Energy  
Policy Act, Water 106 Compliance & Monitoring Data Issues, Lead  
Tour, Bridgeton/Westlake Landfill

NDEQ: QA/QC policy, Overview of 2014 NPM Guidance (program by  
program, quick summary of changes or key issues)

KDHE: no topics. If we do not have any topics, John is OK to cancel the call.

Our next round of State/EPA senior manager calls will take place between Feb 11 and 13, (see schedules below).  
POIS is in the process of gathering agenda items from the states. To date, we have received the following topics:

MDNR: Lead Tour, Bridgeton/Westlake Landfill  
NDEQ: QA/QC policy, Overview of 2014 NPM Guidance (program by program, quick summary of changes or key issues)  
KDHE: Awaiting topics  
IDNR: Awaiting topics

Two likely topics for all four agendas will be State/EPA budget updates and State legislative updates.

Please submit any agenda items to **me no later than COB February 7**. We will distribute draft agendas prior to each call.

**MDNR:** Mon. 2/11 at 1:00 p.m.  
**NDEQ:** Tues. 2/12 at 1:30 p.m.  
**KDHE:** Wed. 2/13 at 9 a.m.  
**IDNR:** Wed. 2/13 at 1 p.m.
